SBD II

Single Box Dispenser II (SBD II) manages mission critical inserts and everyday small tooling in discrete compartments. The SBD II minimizes consumption and reduces waste, providing additional control for inventory management.

SBD II DELIVERS

Flexible design
- Supports new and existing SmartDrawer® solutions
- SBD II cartridges support multiple insert package sizes

Quick and Easy Access
- Rapid refill reduces stocking time
- Quick login process, product selection, product retrieval and logout for users
- See-through storage cartridges

High Density
- 128 compartments in a single drawer

FEATURES

- Simple and easy-to-use patented Pick-to-Light technology
- Strategically load inserts to restrict access to specific users, avoiding distribution of incorrect insert sizes
- Integrates standard SmartDrawer technology and insert package control in a single system design
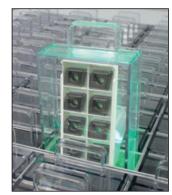

FEATURES	SBD II
